Squish Pest Control

Sean McKinley confirmed he has been providing pest control services to the Booster club pro bono. Rodent service normal charge is \$550. He has also sponsored through Gameday Media, the High School program and the youth football program. Sean wanted to set up a booth at the homecoming football game to give away swag and advertise.

Typically tent sites are reserved for Sponsors, where a one game sponsorship would cost \$500. More information on the cost of sponsorships and what it includes can be found at sponsorship@sherwoodboosterclub.com.

Vote occurred via email. Katie Al-Sheikhly motioned to count Sean's Pro Bono work and Gameday Media sponsorship to as a 1 game sponsor. Ann Pfisthner seconded the motion. No one opposed.
