

Boosters Club Monthly Meeting
September 9, 2017
Meeting started at 6:03 pm

Josh/Vice President

- Have set concession prices for fall
- Food trucks were popular – Need to advertise better so people come hungry. Will post on facebook and make announcements during games
- Tamale Boy was tucked into the corner and felt they did not do as well as they had hoped. They were in a corner because they needed power. Might bring them back for free, give them extensions cords and put them in a better location
- Not a lot of interest from various vendors – this is a new idea for Sherwood High, they don't want to pay, too far to travel, we have a limited amount of space, etc...
- Could talk to vendors about coming to basketball games.
- Will talk to Dutch Bros about coming to double header basketball games or all Friday night basketball games regardless of who's playing
- Suggestion to get chains to make lanes in front of concession stand to keep lines more organized

- All scholarships have been cashed
- Might consider doing a cash drop at halftime so the cash register isn't as full
- Will bring a dedicated iPad for the apparel booth so phones and personal data aren't used
- After square sales are entered the total bank balance is \$84,617.78
