4. Treasurers report- Sitting at about $80k, which is where we were last year.
    1. $12000 to trainer check just sent.
    2. Paid for new camera (football purchase, other teams can use)
    3. A few small reimbursements from last spring
    4. Spring payouts to programs (Track, Lacrosse, Flag football)
    5. Taxes extended until November, almost done -
5. Concessions Report - Thanking Jen and Keri for helping while Taneal was on leave. Getting new reader for station one outdoor concession. Still need help signing up for remainder shifts. Idea for a new hot dog cooking machine and warmers. Machine still works for now and we can revisit after they break down. Need to look at size and voltage for electrical.
6. Apparel Report -New sweatshirt designs that will hopefully be in this week from Chad - hats, sweatshirts - Mice got to some sweatshirts and brought in for people to take can't sell
7. Social Media – Farrah is going to post the tickets are live and ad about the auction, and share on the schools social media pages of all sports pages and more. Tweaking the invite and will send to everyone to post
8. Stadium Seats - Cami – total sales 2025 - $9500 - 2026 made $8900 sold more to boosters and seniors. Where eventbrite goes and where the money goes. Does anyone know how to transfer that money into the account. Tim created the account and made Cami and admin to create it for 2026 and link to our bank account. Tim couldn't make it and he has the info.
9. Scholarships – On hold until Spring 2027
10. New business:

1. Clean up “position titles” and vote on replacements - Debbie had to step down as new interim secretary Keri Kunz until further notice.
2. Cori has stepped down concession need to fill - also need apparel chair position is open - meeting with Adams, running inventory, data, sheets and new designs. Manning trailer on Friday nights

3. Bottle Drop - Ryan AD sent an email about the blue bags Trina was the old treasurer and doesn’t have the info for that for us to get in. Talk to Ryan about more cans for bottle drop. Talk about more organized about that to get our money back for bottles. Make announcements about bottle returns and where to put them.
4. Need people to open and close LINK HERE - talked about signing up and sent slip around table to view who has signed up and where we are at
5. Treasurer update - Jen is moving, new operations for money - Possible finding a new replacement, Jennifer found a place in Sherwood so everything will remain the same for now. Youth Football person as possible new treasurer Brian Harold final term.

6. Give N Gobble - opportunity to have a partnership with 5K, 10K, walk/run - Jon reached out to Martin about helping with the 5K - Planning meets every other week on Tuesdays at 11am at the Y if someone from the boosters can attend - Taneal going to the meeting 9/15/26 to take notes. 25 years this year. Boosters to learn how that works. Concerns about holding a run, costs, volunteers, road closures, etc. Boosters have an in with the owner of Portland Running Company to help out as much as we can. Has followers and can say hey “go to xyz runs, this time” and get traction on coming to runs. Jon has done some general research about the bridge and trails and not shut down roads to save money. Cost savings if can be done. Tim had made a few calls and waiting on a calls and will send out an email about. What are cut off dates for permitting, Wouldn’t need a Seepa or a lot of volunteers. Maybe start with a track run. Have in our pocket while we investigate the plan and what we would like to do. Attract new faces, outside people in addition to families in Sherwood.

11. 5K - Tim - Rasmussen to donate for the timing services and figure out on cost
12. Get the kids involved with all events, volunteer hours from the students and for college applications, scholarships from the boosters, etc.

13. Sponsorships – Ali newest sponsor Chris Olson - reached out to people and want to know how the money is used and how they get more funding and get more coaches etc. Perlo wants to know about a table gave him last year. Few other sponsors we are waiting on and haven’t reached out too. $5K so for champion level, Willamette Valley promoting on social and giving love there and bring more sponsors. Get people's names out there for more commitment on social media. No check from Sinster yet. Have a document made or list of things we have approved for each sport and named what we have given and how much we have donated. Hold up on Lacrosse and OSAA and there aren't enough schools that can supply enough schools for each level of play. Sponsorship money last year compared to this

year committed. Reesers waiting to hear from them. Langers who can we reach out. Have student athletes do some videos to help promote the auction

14. Donations from teams - Only received a few from softball and lacrosse girls.

13. Auction - Dave, behind on sponsorships - 6 weeks out from the actual auction.Paddle raise and Patrick suggestion and commit before we hit the auction and then he announces at the auction of being "cool" and then say so and so couldn't make it tonight and they wanted to donate "xxx" amount and then try to get more involved. Paddle raise, sponsorships and ticket sales are important items to address. People have a hard time saying no twice - about 100 seats 18 tables almost sold out and because casino tables might cut the space a bit. Booster Bowmen Blitz and walk around to collect donations or ask about donations. Tickets are ready for sales and live.
Jon to send email about listing our auction on Thursdays email out to all school parents. Party Pack idea for the tail gates, need a proposal for the duck bus. Craft nights, cooking classes, things like that for parent nights out. Proposal for duck bus. Deadline for next Auction meeting 9/22

Document link here for auction job assignments. (Dave is this an old link…you may have created a new one since taking the job)

Next meeting boosters 10/5/26 @ 6pm-8pm tentatively at the Elks
